

MANAGEMENT SYSTEM CERTIFICATE

Certificate No:
249621-2017-AQ-ARG-RvA

Initial certification date:
27, June, 1996

Valid:
03, February, 2019 - 03, February, 2022

This is to certify that the management system of

TECHINT COMPAÑIA TECNICA INTERNACIONAL SOCIEDAD ANONIMA COMERCIAL E INDUSTRIAL

Bouchard 557, Piso 16 y 17, C1106ABG, Ciudad Autónoma de Buenos Aires,
Argentina

and the sites as mentioned in the appendix accompanying this certificate

has been found to conform to the Quality Management System standard:

ISO 9001:2015

This certificate is valid for the following scope:

Conceptual design, basic and detail engineering, procurement, installation and construction, commissioning, start-up, maintenance, services and integrated project management in the following fields: up-stream and down-stream oil and gas processing facilities (separation and treatment plants, refineries, offshore installations, etc.), chemical and petrochemical plants, industrial plants and manufacturing facilities in general, power generation plants and power transmission systems, civil works for transportation, and hydraulics infrastructure among others, building construction, telecommunications systems, nuclear power plants and facilities, pipelines for fluids such as oil, gas and water among others as well as minerals, aluminum plants, steel plants, mining and mineral processing facilities as well as general civil and industrial infrastructure works. (EA/IAF-28 for construction)

Place and date:
São Paulo, 03, December, 2018

The RvA is a signatory to the IAF MLA

For the issuing office:
DNV GL – Business Assurance
Av Alfredo Egydio de Souza Aranha, 100 -
Bloco D- 3º andar - Vila Cruzeiro, São
Paulo, SP, Brazil

Mauricio Venturin
Management Representative

Appendix to Certificate

TECHINT COMPAÑIA TECNICA INTERNACIONAL SOCIEDAD ANONIMA COMERCIAL E INDUSTRIAL

Locations included in the certification are as follows:

Site Name	Site Address	Site Scope
TECHINT CHILE S.A.	Cerro El Plomo 5420, Piso 16, 7561185, Las Condes, Santiago de Chile, Chile	Conceptual design, basic and detail engineering, procurement, installation and construction, commissioning, start-up, maintenance, services and integrated project management in the following fields: up-stream and down-stream oil and gas processing facilities (separation and treatment plants, refineries, offshore installations, etc.), chemical and petrochemical plants, industrial plants and manufacturing facilities in general, power generation plants and power transmission systems, civil works for transportation, and hydraulics infrastructure among others, building construction, telecommunications systems, nuclear power plants and facilities, pipelines for fluids such as oil, gas and water among others as well as minerals, aluminum plants, steel plants, mining and mineral processing facilities as well as general civil and industrial infrastructure works. (EA/IAF-28 for construction)
TECHINT CIMMIMONTUBI NIGERIA LTD.	Kajola House, 4th Floor, 62/64, Campbell Street, Lagos Island, Lagos State, Nigeria	Conceptual design, basic and detail engineering, procurement, installation and construction, commissioning, start-up, maintenance, services and integrated project management in the following fields: up-stream and down-stream oil and gas processing facilities (separation and treatment plants, refineries, offshore installations, etc.), chemical and petrochemical plants, industrial plants and manufacturing facilities in general, power generation plants and power transmission systems, civil works for transportation, and hydraulics infrastructure among others, building construction, telecommunications systems, nuclear power plants and facilities, pipelines for fluids such as oil, gas and water among others as well as minerals, aluminum plants, steel plants, mining and mineral processing facilities as well as general civil and industrial infrastructure works. (EA/IAF-28 for construction)
TECHINT COMPAGNIA TECNICA INTERNAZIONALE S.p.A.	Via Monte Rosa 93 - 20149 Milano - Italy	Conceptual design, basic and detail engineering, procurement, installation and construction, commissioning, start-up, maintenance, services and integrated project management in the following fields: up-stream and down-stream oil and gas processing facilities (separation and treatment plants, refineries, offshore installations, etc.), chemical and petrochemical plants, industrial plants and manufacturing facilities in general, power generation plants and power transmission systems, civil works for transportation, and hydraulics infrastructure among others, building construction, telecommunications systems, nuclear power plants and facilities, pipelines for fluids such as oil, gas and water among others as well as minerals, aluminum plants, steel plants, mining and mineral processing facilities as well as general civil and industrial infrastructure works. (EA/IAF-28 for construction)

<p>TECHINT COMPANIA TECNICA INTERNACIONAL SOCIEDAD ANONIMA COMERCIAL E INDUSTRIAL</p>	<p>Bouchard 557, Piso 16 y 17, C1106ABG, Ciudad Autónoma de Buenos Aires, Argentina</p>	<p>Conceptual design, basic and detail engineering, procurement, installation and construction, commissioning, start-up, maintenance, services and integrated project management in the following fields: up-stream and down-stream oil and gas processing facilities (separation and treatment plants, refineries, offshore installations, etc.), chemical and petrochemical plants, industrial plants and manufacturing facilities in general, power generation plants and power transmission systems, civil works for transportation, and hydraulics infrastructure among others, building construction, telecommunications systems, nuclear power plants and facilities, pipelines for fluids such as oil, gas and water among others as well as minerals, aluminum plants, steel plants, mining and mineral processing facilities as well as general civil and industrial infrastructure works. (EA/IAF-28 for construction)</p>
<p>TECHINT COMPANIA TECNICA INTERNACIONAL SOCIEDAD ANONIMA COMERCIAL E INDUSTRIAL</p>	<p>Rua Tabapuã 41, 14º Andar, Itaim Bibi, 04533-010, São Paulo, SP, Brazil</p>	<p>Conceptual design, basic and detail engineering, procurement, installation and construction, commissioning, start-up, maintenance, services and integrated project management in the following fields: up-stream and down-stream oil and gas processing facilities (separation and treatment plants, refineries, offshore installations, etc.), chemical and petrochemical plants, industrial plants and manufacturing facilities in general, power generation plants and power transmission systems, civil works for transportation, and hydraulics infrastructure among others, building construction, telecommunications systems, nuclear power plants and facilities, pipelines for fluids such as oil, gas and water among others as well as minerals, aluminum plants, steel plants, mining and mineral processing facilities as well as general civil and industrial infrastructure works. (EA/IAF-28 for construction)</p>
<p>TECHINT COMPANIA TECNICA INTERNACIONAL SOCIEDAD ANONIMA COMERCIAL E INDUSTRIAL</p>	<p>Av. La Coruña N°28-14, Ed. Santa Fe, Piso 4, 170516, Quito, Quito, Ecuador</p>	<p>Conceptual design, basic and detail engineering, procurement, installation and construction, commissioning, start-up, maintenance, services and integrated project management in the following fields: up-stream and down-stream oil and gas processing facilities (separation and treatment plants, refineries, offshore installations, etc.), chemical and petrochemical plants, industrial plants and manufacturing facilities in general, power generation plants and power transmission systems, civil works for transportation, and hydraulics infrastructure among others, building construction, telecommunications systems, nuclear power plants and facilities, pipelines for fluids such as oil, gas and water among others as well as minerals, aluminum plants, steel plants, mining and mineral processing facilities as well as general civil and industrial infrastructure works. (EA/IAF-28 for construction)</p>

<p>TECHINT COMPANIA TECNICA INTERNACIONAL SOCIEDAD ANONIMA COMERCIAL E INDUSTRIAL</p>	<p>Av. Ricardo Rivera Navarrete 475, Piso 12, San Isidro, Lima 27, San Isidro, Lima, Peru,</p>	<p>Conceptual design, basic and detail engineering, procurement, installation and construction, commissioning, start-up, maintenance, services and integrated project management in the following fields: up-stream and down-stream oil and gas processing facilities (separation and treatment plants, refineries, offshore installations, etc.), chemical and petrochemical plants, industrial plants and manufacturing facilities in general, power generation plants and power transmission systems, civil works for transportation, and hydraulics infrastructure among others, building construction, telecommunications systems, nuclear power plants and facilities, pipelines for fluids such as oil, gas and water among others as well as minerals, aluminum plants, steel plants, mining and mineral processing facilities as well as general civil and industrial infrastructure works. (EA/IAF-28 for construction)</p>
<p>TECHINT COMPANIA TECNICA INTERNACIONAL SOCIEDAD ANONIMA COMERCIAL E INDUSTRIAL</p>	<p>La Cumparsita 1373, Piso 7°, 11000, Montevideo, Uruguay</p>	<p>Conceptual design, basic and detail engineering, procurement, installation and construction, commissioning, start-up, maintenance, services and integrated project management in the following fields: up-stream and down-stream oil and gas processing facilities (separation and treatment plants, refineries, offshore installations, etc.), chemical and petrochemical plants, industrial plants and manufacturing facilities in general, power generation plants and power transmission systems, civil works for transportation, and hydraulics infrastructure among others, building construction, telecommunications systems, nuclear power plants and facilities, pipelines for fluids such as oil, gas and water among others as well as minerals, aluminum plants, steel plants, mining and mineral processing facilities as well as general civil and industrial infrastructure works. (EA/IAF-28 for construction)</p>
<p>TECHINT COMPANIA TECNICA INTERNACIONAL SOCIEDAD ANONIMA COMERCIAL E INDUSTRIAL - Techint S.A. de C.V.</p>	<p>Guillermo González Camarena 1200 Piso 7°, Colonia - Centro de Ciudad de Santa Fe, Mexico</p>	<p>Conceptual design, basic and detail engineering, procurement, installation and construction, commissioning, start-up, maintenance, services and integrated project management in the following fields: up-stream and down-stream oil and gas processing facilities (separation and treatment plants, refineries, offshore installations, etc.), chemical and petrochemical plants, industrial plants and manufacturing facilities in general, power generation plants and power transmission systems, civil works for transportation, and hydraulics infrastructure among others, building construction, telecommunications systems, nuclear power plants and facilities, pipelines for fluids such as oil, gas and water among others as well as minerals, aluminum plants, steel plants, mining and mineral processing facilities as well as general civil and industrial infrastructure works. (EA/IAF-28 for construction)</p>

<p>TECHINT E&C S.A.</p>	<p>La Cumparsita 1373, Piso 7º , 11000, Montevideo, Uruguay</p>	<p>Conceptual design, basic and detail engineering, procurement, installation and construction, commissioning, start-up, maintenance, services and integrated project management in the following fields: up-stream and down-stream oil and gas processing facilities (separation and treatment plants, refineries, offshore installations, etc.), chemical and petrochemical plants, industrial plants and manufacturing facilities in general, power generation plants and power transmission systems, civil works for transportation, and hydraulics infrastructure among others, building construction, telecommunications systems, nuclear power plants and facilities, pipelines for fluids such as oil, gas and water among others as well as minerals, aluminum plants, steel plants, mining and mineral processing facilities as well as general civil and industrial infrastructure works. (EA/IAF-28 for construction)</p>
<p>TECHINT INDIA PVT. LTD.</p>	<p>Techno Campus, Pokhran Road No 2, Off Eastern Express Highway, Behind TCS, Thane (W).400 601, Mumbai. Maharashtra - 400607, India</p>	<p>Conceptual design, basic and detail engineering, procurement, installation and construction, commissioning, start-up, maintenance, services and integrated project management in the following fields: up-stream and down-stream oil and gas processing facilities (separation and treatment plants, refineries, offshore installations, etc.), chemical and petrochemical plants, industrial plants and manufacturing facilities in general, power generation plants and power transmission systems, civil works for transportation, and hydraulics infrastructure among others, building construction, telecommunications systems, nuclear power plants and facilities, pipelines for fluids such as oil, gas and water among others as well as minerals, aluminum plants, steel plants, mining and mineral processing facilities as well as general civil and industrial infrastructure works. (EA/IAF-28 for construction)</p>
<p>TECHINT INTERNATIONAL CONSTRUCTION CORP. (TENCO)</p>	<p>Carrera 11A N° 97A - 19; Office 601, Bog, Bogotá, Colombia</p>	<p>Conceptual design, basic and detail engineering, procurement, installation and construction, commissioning, start-up, maintenance, services and integrated project management in the following fields: up-stream and down-stream oil and gas processing facilities (separation and treatment plants, refineries, offshore installations, etc.), chemical and petrochemical plants, industrial plants and manufacturing facilities in general, power generation plants and power transmission systems, civil works for transportation, and hydraulics infrastructure among others, building construction, telecommunications systems, nuclear power plants and facilities, pipelines for fluids such as oil, gas and water among others as well as minerals, aluminum plants, steel plants, mining and mineral processing facilities as well as general civil and industrial infrastructure works. (EA/IAF-28 for construction)</p>
